Power Previewing Organizer (fiction)

What are you previewing? What is its title?

What to look at as you skim:

- Title and author
- Front and back cover
- Pictures
- Opening lines or paragraphs
- Chapter titles
- Text that looks "different" (for example, a different size or style)
- Anything else that stands out

Who is the author?

What did you see or notice while skimming?

Did anything look familiar or interesting?

What do you think this reading will be about? What do you think might happen?

Check your ideas after you finish reading.
